

The Ohio University College of Osteopathic Medicine invites applications for a full-time faculty position in the Department of Family Medicine. The successful applicant should possess a strong desire to teach and advise osteopathic medical students within the two curricula (Clinical Presentation and Patient-Centered) and contribute to the development of the college through service and research. Faculty rank and salary will be dependent on qualifications and experience; a D.O. or M.D. degree is required. Preference will be given to individuals with research and grant writing experience.

We seek candidates with a commitment in working effectively with students, faculty and staff from diverse backgrounds.

This position requires completion of a residency program in Family Medicine; board certified/board eligible; unrestricted DEA licensure; Ohio licensure or credentials allowing same.

Clinical practice in our affiliated practice plan, University Medical Associates Inc., is a requirement. Hospital practice is available if desired.

Ohio University is located in Athens, Ohio, nestled deep in the Appalachian foothills of Southeast Ohio. The University community provides countless recreational and cultural activities. Athens County is a popular destination spot for avid outdoor enthusiasts, art lovers, history buffs and anyone looking for an escape from the fast pace of city life. Athens is located just 1 hour Southeast of Columbus.

Please apply on-line at www.ohiouniversityjobs.com/applicants/Central?quickFind=54131
Review of candidates will begin as soon as applications are received and continue until suitable candidates are identified. Preferred starting date is as soon as possible.
